# Connecting Courts - the Integrated Courts Management System

## **Tabled: 10 June 2009**

The Integrated Courts Management System (ICMS) is a major Information Technology (IT) initiative of the Department of Justice (DOJ).

The objective of the program is to establish a single integrated technology platform and a set of applications for all Victorian courts and tribunals.

The objective of the audit was to assess whether the progress of the ICMS program has conformed with its original investment objectives.
