

## APPENDIX E

# Between-year trends of departmental completion times

Departments reported more timely completion rates for recommendations from 2018–19 to 2021–22. Figures E1 to E4 show a breakdown of between-year trends of departments' completion times.

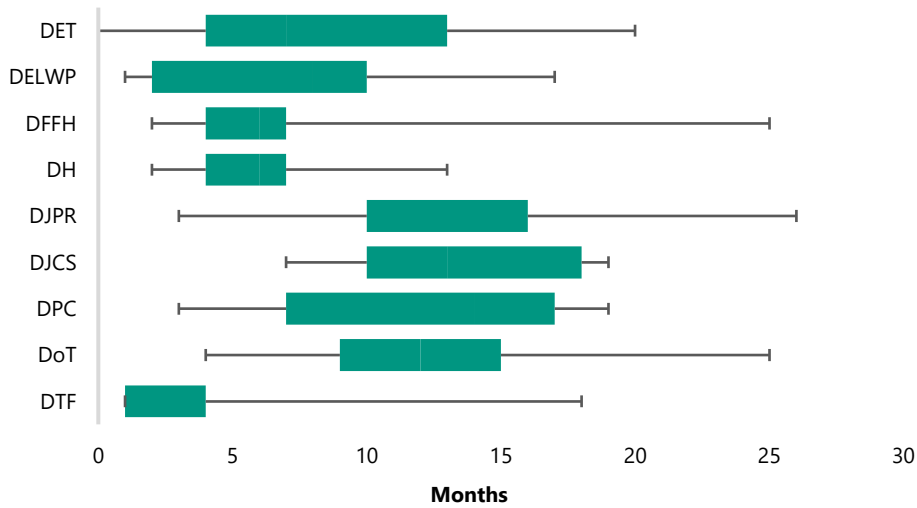

FIGURE E1: 2018–19 department completion times in months

Note: The boxes indicate the middle 50 per cent of completed recommendations and the whiskers show the extent of minimum and maximum time taken to complete recommendations.
