

## APPENDIX C

# General executive information

In 2020–21, none of our executive staff was involved in carrying out any special projects. All of our executive staff have completed statements declaring whether their interests, shares in, and other benefits from business enterprises could give rise to a conflict of interest. We have processes to manage any such conflicts. Further information on the number of our executive staff, by classification, is provided in Figures C1 and C2.
